

The Code
Ten Intentions for a Better World
To have the Code work in your life, live it

Support Life

I allow others to have their own experiences. I see life in all things and honor it as if it were my own. I support life.

Seek Truth

I follow my inner compass and release old beliefs and programming. I go to the source. I seek truth.

Set My Course

I flow with the creative process. I give direction to my life. I set my course.

Simplify

I let go so there is room for something better to come in. I am guided, guarded, protected, and lined up with the Highest Good at all times. I trust and remain open to receive from both expected and unexpected sources. I simplify.

Stay Positive

I see good, say good and do good. I accept the gifts from all of my experiences. I am living in grace and gratitude. I stay positive.

Synchronize

After intending and surrendering, I take action by following the opportunities that are presented to me. I am in the flow where Great Mystery and Miracles abide, fulfilling my desires and doing what I came here to do. I synchronize.

Serve Others

I practice love in action. I always have enough to spare and enough to share. I am available to help those who seek it. I serve others.

Shine My Light

I am a magnificent being, awakening to my highest potential. I express myself with joy, smiling easily and laughing often. I shine my light.

Share My Vision

I create my ideal world by envisioning it and telling others about it. I share my vision.

Synergize

I see Humanity as One. I enjoy gathering with light-hearted people regularly. When we come together, we set the stage for Great Oneness to reveal Itself. We synergize.
